

**B After performance**

**The operation of clauses (S) and (A) of Note 8 of the 2041 budget law**

1- In line with the implementation of Clause (Q) of Note 8 of the budget law of 1041, guidelines for public-private partnership

For open plans for water allocation with the replacement of wastewater and reduction of water wastage, the relevant call was held, but

Investment in this regard has not been done by the applicant

After holding numerous working group-1 meetings regarding the implementation of clause (A) of note 8 of the 1041 budget law for open water allocation plans to replace wastewater, the schedule for replacing wastewater with water allocated for industries in cooperation with the regional water company and Samat province prepared and sent to the Ministry of Energy and related industries

Correspondence should be made within a maximum period of 3 months regarding the presentation of the executive plan for the transfer of wastewater from the outlet of the treatment plant

Allocate the work of the provincial group to the location of the industry until phasing according to the schedule approved by the Ministry of Energy

The implementation of the project should be reported to industries

In addition, industries are required to participate in the auction related to the sale of wastewater
